Harry, a note from [REDACTED] Chuck

Harry,

Many thanks for this information- i'm beginning traces on the names/phone numbers asap.

French info also was highly interesting - am not sure why this is not enough to firmly link Moussaoui to a terrorist group - Ibn Al-Khattab is well known to be the leader of the Chechen Mujahidin movement and to be a close buddy with Bin Ladin from their earlier fighting days. From a read of the [REDACTED] info, Moussaoui is a recruiter for Khattab. I can confirm from our own info that in fact the dead guy, [REDACTED] in fact was a fighter for Khattab who perished in Chechnya in April 2000.

Also, please send us via fax the photos of Moussaoui and Attas - this will be very helpful in identifying these guys.

Thx again -
[REDACTED]

Regards, Chuck
